

List of directives given to Discoms in this order-

S.No.	Directive	Para No.
1	To prepare their audited accounts in time and submit it along with petition for ARR/ tariff determination in future.	2.1.3
2	To file pending true up petitions within three months.	2.1.3
3	To compute voltage wise cost of supply and submit it to Commission along with next tariff petition.	2.2.3
4	To ensure submission of complete formats and requisite information along with the ARR/Tariff petition only.	2.2.3
5	To furnish segregation of losses into technical and commercial losses in their next petition along with a status report on energy accounting and T&D losses.	2.4.3
6	AVVNL to submit factual report as regards cost of burnt meters being charged by them within two months.	2.5.3
7	To resolve meter related complaints in a time bound manner and put in place effective quality control system.	2.5.3
8	To take all necessary steps to achieve 100% conversion of flat rate agriculture consumers to metered category as per the target set under MYT order dt 15.4.10.	2.6.3
9	To work out feasibility of DSM schemes as a pilot project. Discoms may work in close tandem with Govt. and RREC for making general public aware about benefits of adopting energy efficient equipment.	2.7.3
10	To identify all unmetered points in public street light category and provide meters on them. Discoms should take up the matter with Local Bodies for use of timer along with photo sensitive devices.	2.29.2
11	Discoms should suitably study and analyse the issues of Excess Demand Charges / Penalty including suggestion regarding allowing LT consumers to opt for billing on demand basis and if need be, file a petition for appropriate changes in Supply Code.	2.33.3
12	To take up a study for rationalization of categorization in light of all suggestions received regarding change of categories and file their proposals along with next tariff petition.	2.39.3
13	ToD proposal needs to be re-worked based on comprehensive analysis of load profile for different seasons and months of supply. Based on this, a fresh petition be submitted to Commission.	19.8.3
14	To introduce effective control measures to ensure that inventory is kept at an optimum level, arrears are not allowed to increase and prudent control is exercised in short term power purchases.	21.3
15	To furnish details of subsidy due and received from State Govt. on various accounts separately.	21.3
16	All existing provisions which are not modified by this order, shall continue to be in force. Discoms shall publish salient features of tariff within one week in two daily newspapers in Hindi and one in English, having wide circulation in their respective areas of supply. The tariff shall come into force only after such publication. Discoms shall revise the existing tariff structure in accordance with this order and publish in Hindi and English a booklet containing all details of tariff and its applicability for the benefit of consumers. It should be made available for sale to general public on a nominal price.	21.4
